I hope the holidays were spent with a lot of pleasures for all. Some are still enjoying their vacation, so I am expecting you to give me all the news of your interesting events next week.

The Silver Hill majorettes were scheduled to have participated in four parades but could only attend three. Six majorettes were taken sick Sunday at Accokeek due to the heat and three were hospitalized — Sherri Golden, Cathy Schmitt and Judy Scribner.

First parade attended was July 3 at Odenton and congratulations go to our Silver Hill majorettes who won second place trophy over all.

Second parade was at Accokeek where the Silver Hill majorette midgets won the first place trophy and their leader, Marianne Schmitt, won a medal for outstanding leader.

Third parade was at Laurel on July 5 and the Silver Hill majorettes who won first place trophy over all.

A surprise bridal shower was given for Miss Carol Rinick, of Cedar Drive by Miss Donna de Fest and Miss Linda Jones, of Cedar Drive, at the home of Miss Fest. Over 25 guests attended and the bride-to-be received many nice gifts.

Mr. and Mrs. Raymond McMahon of Dunlap Street had visiting them two nieces of Mrs. McMahon and their families, Mr. and Mrs. John Nicholson and their 13-year-old son, John, of Orlando, Florida, and Mr. and Mrs. Donald Youngs and their children of Winter Park, Florida. They were here for several days.

We, the Mentges of Park Boulevard had visiting us Mr. and Mrs. Fred Hashey and their three daughters from Uxbridge, Mass. The Hasheys left for Florida Sunday, all but one daughter, Karen, who stayed with us as a guest of Marabeth's until Monday evening when we took her to National Airport and she took the plane home.

We also have visiting us for a week Mr. Mentges' sister (Helen) and her husband, Mr. and Mrs. Clayton Malo, from Milford, Mass. Mrs. Malo celebrated her birthday here July 4.

Mr. and Mrs. Bowers of Park Boulevard had visiting them Lt. Col. and Mrs. Kay Cutler and family of Hillcrest Heights who have been stationed in Germany for three years. They have now been transferred to Alabama. While the family is visiting in Utah their son, Kim, is staying for a month with Mr. and Mrs. John Fitzgerald and son, Joe, of Hillcrest Heights, before going to Alabama.

Get-well Wishes
